Annual Report 2014

United Way

Aloha United Way

President & CEO Message

It has been an exciting year at Aloha United Way! Since stepping in as President & CEO in September 2014, I have been reminded often of the extraordinary qualities that make our community such a great place to live, work and raise our families. This annual report is a testament to the power and intent of the generosity of each and every donor. I am humbled by what we have been able to accomplish in our community because of your support and the commitment of our partner agencies.

Together last year we were able to invest $11.6M in our community. This allowed us to help over 830,000 individuals and families, respond to over 59,000 inquires for food, shelter, clothing and other health and human services, and provide assistance to over 10,000 at-risk youth working toward a high school graduation. We were able to offer hope and provide opportunities for a better quality of life. We encourage you to visit our website at auw.org to learn more about specific Community Impact program outcomes in the areas of education, poverty prevention and safety net.

Your continued donations to Aloha United Way provide our keiki with the best possible opportunity to succeed in school and life, help break the cycle of poverty in families, and assist our kupuna so they can age gracefully.

Thank you for caring, for your compassion, for helping to make a meaningful and substantial difference in our community.

Me ke aloha pumehana,

Cindy Adams, President & CEO
