

Shriners Hospitals
for Children®

For 100 years, Shriners Hospitals for Children - Honolulu have provided pediatric orthopedic care to children in Hawaii and the Pacific Basin with bone, joint, and neuromuscular conditions, regardless of their ability to pay. Our care goes far beyond our hospital as we offer telehealth and outreach clinics on the neighbor islands, Guam and Fiji, to help us reach more children in more places.

Special Instructions

Dolls, super hero figures and remote control cars are more than just playthings at Shriners Hospitals for Children — Honolulu. They are a prescription for joy. Toys help to alleviate the symptoms of anxiety, boredom, and even pain. Your gifts are greatly appreciated and welcomed year round. Due to strict infection control precautions, we can only accept new gifts.
