

The Pantry is the only e-commerce food pantry in the Hawaii operating weekly, year-round, to provide free, nutritious food to our community. We serve our community with a “grocery store style” experience so clients can choose the food they want, when they need it, ultimately eliminating food waste. By developing innovative ways to provide quality, healthy food for free—so no one in our community goes hungry—The Pantry has become one of Hawaii’s largest food distribution services.
