

Waimea Valley is deeply rooted in Hawaiian History and continues to be a respite for its spirituality and traditions. As stewards and employees of Hi'ipaka LLC, we strive in our daily responsibilities to Waimea and its host culture, to celebrate and share a vibrant, active Hawaiian culture with the world. We welcome visitors to the living pu'uhonua (place of refuge) of Waimea Valley. Together we honor and perpetuate Hawai'i's past, steward our present, and plan for a prosperous, healthy future.
