

UNITED TOGETHER

As a community, we continue to see the devastating effects of the pandemic on our community. All data indicates that food insecurity, financial stability, and access to safe and affordable housing present real threats to our future.

We can choose to continue as we were, or evolve and work toward a better future. Hawai'i can become stronger, more inclusive, and be a place that our keiki can call home in the decades to come. AUW is a bridge, connecting people and resources. We are an amplifier for nonprofit work, investing in programs and data tools to make providers stronger. We are advocates for better policies, providing data and tools available nowhere else. Aloha United Way is a critical community resource. You are our partner in this work.

Join us. Be part of the workplace giving movement as we embark on a campaign to lead an unprecedented and coordinated effort to lift ALICE Households to greater stability in 2022. Help us deliver the resources and tools that are so desperately needed here in Hawai'i.
