IT’S MORE THAN A DONATION

We have the opportunity to change course as a community, but it requires dedication, cooperation, and planning. When you give to Aloha United Way, it’s more than a donation. You are providing food, shelter, education, transportation, and hope. Your dollars are invested in the programs and services that our community needs now to build a more stable and resilient tomorrow. AUW is your bridge, connecting people and resources.

AUW is an advocate, spreading awareness and driving change. AUW provides resources to community organizations that allow for those suffering to access help. Through our relationships, and research, we’re shaping policies and decisions that will help Hawai’i thrive. You aren’t just making a donation, you are making help available and a better future possible. When you participate in a workplace giving campaign, you are part of something so much larger than you realize. Please join us.

IMPACT YOUR COMMUNITY

211
Hawai’i’s only Statewide Resource Helpline connects people with more than 4,000 information & referral resources in our community. Free and confidential, this service is available by phone, email, chat, and search. (80106).

For those with concerns about Substance Use Disorders (SUD), Care Coordinators are now available through 211 as part of the Hawai’i CARES Network.

ALICE®
Invested in 17 nonprofit agencies working collectively with AUW and other stakeholders to address the root causes of financial instability for households unable to meet basic household expenses despite working. Ineligible for most forms of assistance, ALICE Households are both vulnerable and underserved. AUW’s ALICE Research and Initiative have been critical in shaping our future. (80114).

SAFETY NET
Provides basic human needs and support during emergency and crisis situations. Agencies receiving Safety Net funding return households to stability and supply direct assistance as needed. (80100).
LEADERSHIP GIVING
Join our network of generous donors who contribute $1,000 or more each year and are recognized for making an even larger commitment to creating change in our community.
