WE IGNITE CHANGE

Women United® operates with the shared belief in the importance of Aloha United Way and its mission to build stronger communities. Women have been leading the way for their communities since time immemorial. We tackle the issues that matter the most to everyone who calls Hawai'i home. We empower each other to leverage our passions, ideas, expertise and resources to transform the very conditions in which people live. We manage the Aloha United Way Women United® Fund. This Fund invests contributions made through our signature events and through generous personal donations.
