## Holiday Wish List Tips

- ❶ **Contact** the organization directly before beginning a drive or volunteer project on their behalf.
- ❷ **Team up** with friends, family, or coworkers to collect donation items — together, you can make a bigger impact.
- ❸ **Consider** starting a collection to purchase needed gift cards or certificates.
- ❹ **Ensure** that all donated items are new (unless otherwise noted), and that food items are in their original packaging with long expiration dates.
- ❺ **Be patient and respectful** — agencies are often overwhelmed during the holiday season and appreciate your understanding.
- ❻ Let the agencies know you found out about their needs in **Aloha United Way's 2025 Holiday Wish List**.

# Thank you for making a difference this holiday season!

Aloha United Way is pleased to share the **2025 Holiday Wish List** featuring the needs of our participating United Way partner agencies on O'ahu, Hawai'i Island, Kaua'i, and Maui. These partner agencies help thousands in the community. They ask for your generous donation of gifts and time to ensure those they serve have a happy holiday season.

Each organization has at least one donation need or volunteer opportunity.

- ❶ **Program Need:** Directly supports partner agency programs through donations of items such as toys, food, clothing, and gift cards. These contributions help meet the specific needs of the agency's clients.
- ❷ **Agency Need:** Supports the organization's daily operations with supplies such as paper, toner, and postage stamps. Meeting these needs helps reduce administrative costs, allowing more funds to be directed toward programs and services.
- ❸ **Volunteer Opportunities:** Involves providing hands-on assistance, such as staffing special holiday events or helping with day-to-day tasks that support the organization's mission.

Agencies listed in the Holiday Wish List are requesting items and/or volunteers for the holiday season but often have year-round needs. Help support their efforts by volunteering, donating much-needed items, or making a monetary donation. Your gift will make a difference in our community during the holidays and beyond.

Aloha Harvest is the largest food rescue and redistribution organization in Hawai'i, getting quality excess food into stomachs instead of landfills. Free of charge and free of liability, we pick up quality excess food from donors (ex: wholesale distributors, grocery stores, restaurants, hotels) and redistribute it to recipient agencies feeding the community (ex: homeless shelters, social services, food pantries). The American Red Cross prevents and alleviates human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of donors. Volunteers carry out 90% of the humanitarian work of the Red Cross. Whether helping one displaced family or thousands, providing care and comfort to an ill or injured service member or veteran, or teaching others how to respond in emergencies, it's through the efforts of ordinary people that we can do extraordinary things.

The mission of The Legal Clinic (TLC) is to ensure justice for low-income immigrants and migrants in Hawai'i through high-quality immigration legal services, education, and advocacy. Nearly one in five Hawaii residents are foreign born, yet few attorneys, statewide, will assist with pro bono immigration legal matters. Navigating complex federal immigration policies and applications is challenging. Your contribution helps us provide life-changing services for individuals and families in need.

# VOLUNTEER!

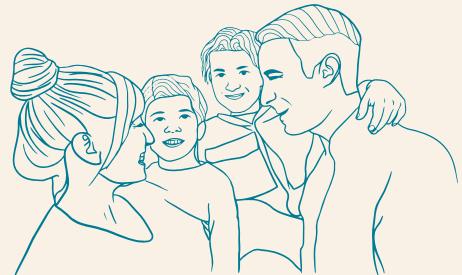

# SHAPE OUR FUTURE

A stronger Hawai'i starts with all of us. No matter the challenge, our community comes together to help. Through workplace giving, you provide food for families struggling to put meals on the table, shelter for those in crisis, healthcare for kūpuna and keiki, and education that creates brighter futures.

Each of us can make a difference, but when we come together, we create real, lasting change. With your support, we are building a future where everyone has the opportunity to thrive.
