- **Be patient and respectful.** Agencies are often especially busy during the holiday season. Please be patient, follow their guidelines, and respect their needs and preferences.
- **Let agencies know how you found them.** When reaching out, mention that you learned about their needs through Aloha United Way's **2026 Holiday Wish List.**

Thank you for making a difference this holiday season!

Aloha United Way is pleased to share our 2026 Holiday Wish List, featuring the needs of participating Aloha United Way partner agencies. These organizations serve thousands of individuals and families in our community and are seeking your generous support through donations and volunteer service to help make the holiday season brighter for those they serve.

Each participating agency has identified at least one donation need or volunteer opportunity.

Here are the ways you can help:

Program Needs

Support partner agency programs by donating items such as toys, food, clothing, and gift cards. These contributions help meet the specific needs of the individuals and families served by each agency.

Agency Needs

Help support day-to-day operations by donating supplies such as paper, toner, and postage stamps. These contributions help reduce administrative expenses, allowing agencies to direct more resources toward their programs and services.

Volunteer Opportunities

Give your time and talents by providing hands-on assistance, such as staffing special events or helping with daily activities that support an agency's mission.

While the agencies featured in this booklet are highlighting their needs for the holiday season, many welcome support throughout the year. You can make a difference by volunteering your time, donating needed items, or making a monetary contribution.

Together, we can make the holidays brighter and build a stronger community all year long!

PARENTS, Inc.’s Adopt-an-‘Ohana Holiday Giving Program brings hope, joy, and the spirit of aloha to children and families in need across O‘ahu and Hawai‘i Island. Through the generosity of community sponsors and donors, we provide holiday gifts, essential items, and much-needed support to families experiencing hardships, helping ensure every child feels loved, valued, and remembered during the holiday season.

How to Adopt an ‘Ohana: Once you register, you will receive access to a spreadsheet featuring families available for adoption. The spreadsheet will include the number of children in each family, along with their individual holiday wish lists, allowing you to select a family you would like to sponsor. Each year, we typically have over 60 families hoping to be adopted for the holidays.

Other Ways to Give: Not able to adopt a family? You can still make a meaningful difference! We warmly welcome individual gift donations, gift cards, and monetary contributions of any amount. These generous donations allow us to provide holiday gifts and essential items to families who may not have been selected for sponsorship, helping us reach as many children and families as possible.

Every act of kindness, big or small, helps make the holiday season brighter for a family in need. Ready to spread some holiday aloha? Please complete our donor registration form below to participate in this year's Adopt-an-‘Ohana Holiday Giving Program.

PARENTS, Inc. is a Hawai‘i nonprofit dedicated to strengthening families, preventing child abuse and neglect, and creating safe, nurturing environments for children. Serving O‘ahu and Hawai‘i Island, we provide parenting education, family support, advocacy, and community resources. Having served nearly 2,000 children, we continue to bring hope, joy, and essential support to families through programs like Adopt-an-‘Ohana and our year-round services.

PARENTS, Inc.’s Adopt-an-‘Ohana Holiday Giving Program brings hope, joy, and the spirit of aloha to children and families in need across Hawai‘i Island. Through the generosity of community sponsors and donors, we provide holiday gifts, essential items, and much-needed support to families experiencing hardships, helping ensure every child feels loved, valued, and remembered during the holiday season.

How to Adopt an ‘Ohana: Once you register, you will receive access to a spreadsheet featuring families available for adoption. The spreadsheet will include the number of children in each family, along with their individual holiday wish lists, allowing you to select a family you would like to sponsor. Each year, we typically have over 60 families hoping to be adopted for the holidays.

Other Ways to Give: Not able to adopt a family? You can still make a meaningful difference! We warmly welcome individual gift donations, gift cards, and monetary contributions of any amount. These generous donations allow us to provide holiday gifts and essential items to families who may not have been selected for sponsorship, helping us reach as many children and families as possible.

Every act of kindness, big or small, helps make the holiday season brighter for a family in need. Ready to spread some holiday aloha? Please complete our donor registration form below to participate in this year's Adopt-an-‘Ohana Holiday Giving Program.
